"GEOINFORMATION TECHNOLOGIES IN AGRICULTURE ...BECOMING HANDY"

2ND SEMINAR OF GI@MED PROJECT

"Electronic organisation of agricultural schools with geoinformation technologies for the promotion of convergent strategies in the management of rural regions, water resources and the environment in the South-Eastern Mediterranean"

CAIRO, 20 - 23 JUNE 2010
Organized and hosted by
**NATIONAL AUTHORITY FOR REMOTE
SENSING AND SPACE SCIENCES
(NARSS)**

AGENDA

		Subject	Trainer/s
Sunday, 20 th of June 2010	09:00 - 09:30	Registration	
	09:30 - 10:30	Agricultural management in Egypt (overview)	Prof. El-Behairy & Prof. Arafat
	10:30 - 11:00	Agricultural management in Greece/ EU (overview)	Dr. Kalaitzidis & Dr. Manakos
	11:00 - 11:15	COFFEE BREAK	
	11:15 - 11:45	EU experiences with geoinformation in agriculture (framework)	Dr. Kalaitzidis
	11:45 - 12:45	Egyptian experiences with geoinformation in agriculture (framework)	Prof. Arafat
	12:45 - 13:45	LUNCH	
	13:45 - 15:15	Sustainable water resources management (focus on geoinformation)	Prof. Psilovikos
	15:15 - 15:30	COFFEE BREAK	
	15:30 - 17:00	Crop monitoring (focus on geoinformation)	Dr. AbuElghar
Monday, 21 st of June 2010	09:30 - 11:00	Introduction to Remote Sensing	Dr. Manakos
	11:00 - 11:15	COFFEE BREAK	
	11:15 - 12:15	Applications of Remote Sensing in Agriculture (focus on particular issues that are of concern for the particular region/country)	Prof Afify & Dr. Kalaitzidis
	12:15 - 13:15	Introduction to Geographic Information Systems	Dr. Safwat & PhD Candidate Elhag
	13:15 - 14:15	LUNCH	
	14:15 - 15:15	Applications of GIS with RS data, on agricultural issues. Monitoring and decision making	PhD Candidate Mossad & PhD Candidate Elhag
	15:15 - 15:30	COFFEE BREAK	
	15:30 - 17:00	Practical exercises on RS data processing, implementation to GIS, extraction of information and decision making	Mrs. Afify

Tuesday, 22 nd of June 2010	SEE "INCORPORATION OF GEOINFORMATION TECHNOLOGIES IN AGRICULTURE" WORKSHOP AGENDA		
Wednesday, 23 rd of June 2010	09:30 – 11:00	Practical exercises on RS data processing, implementation to GIS, extraction of information and decision making	NARSS & MAICH
	11:00 – 11:15	COFFEE BREAK	
	11:15 – 13:00	Practical exercises on RS data processing, implementation to GIS, extraction of information and decision making	NARSS & MAICH
	13:00 – 14:00	LUNCH	
	14:00 – 15:15	Practical exercises on RS data processing, implementation to GIS, extraction of information and decision making	NARSS & MAICH
	15:15 – 15:30	COFFEE BREAK	
	15:30 – 17:00	Practical exercises on RS data processing, implementation to GIS, extraction of information and decision making	NARSS & MAICH

VENUE, 23 Joseph Tito Street, El-Nozha ElGedida, Cairo, Egypt
